TITLETOWN
BREWERY
GREEN BAY
7:00 P.M.

Neptune's Nimrods had a name board of the shipwreck "Sunbeam" made and presented it to Ken Merryman at the 2009 Annual Banquet. This is a shipwreck that Ken has been hunting for some time now. Lets hope this will turn his luck and he finds it soon.

THANK YOU KEN

For your excellent presentation on nine shipwrecks found in the last five years.

Neptune's Nimrods also presented a photo of the "Pringle" with a coin attached from the same year the ship sank to Steve Radovan. The shipwreck "Pringle" is one of the best intact shipwrecks to be found in the Great Lakes. Don't miss Steve's presentation at Ghost Ship Festival on March 21, 2009.
